

2025 “Hands-On Share” Application

Back by popular demand! Canticle Farm is offering a limited number of participating shares, now called Hands-On Shares. Participants have a specific role and timeframe for their task. Each participant completes a minimum of 10 hours at the farm and receives a \$150 discount on share price (for either share size).

Name _____

I would like to be considered for a Hands-On Share. I have selected the position that fits my schedule, or I have ranked my options in order of preference. I understand I must submit the regular CSA application and deposit with this form and wait to hear from the farm staff about positions available, and sign a Volunteer Waiver if selected.
